Studio Policies 2020-2021

These policies are meant to enhance the studio experience for all concerned. They are in place to safeguard the interests of both the student and the studio. Please take the time to read thoroughly and keep for future reference. LAD reserves the right to change this policy at any time without prior notice. Any changes to the Studio Policies and Dress Code will be posted online and in the studio.

STUDENT PLACEMENT

The studio director and instructors will determine the proper level classes for each student. Dancers are placed according to the level of technique they can demonstrate in various disciplines. Students learn and progress at different rates, and this is further affected by factors such as **class attendance, participation, effort and attitude**. Please note that teaching methods and standards vary greatly from school to school. For reasons such as these, the number of years a student has danced is not the deciding factor. **Each student will be placed in classes which ensure optimum growth.**

Lititz Academy of Dance's COVID-19 Health and Safety Plan and Procedures

It is extremely important to all of us at LAD that we follow CDC guidelines and those of the PA Dept. of Health. The health and safety of our studio family is paramount! STUDIO ETIQUETTE

Lititz Academy of Dance wishes to maintain a professional, yet family-friendly studio environment. We encourage all students to be supportive and respectful of fellow dancers and their family members. Excessive talking or other misbehavior will not be tolerated and may result in the student being asked to observe class instead of participating. All students must respect the structure and teaching style of all instructors.

- The studio must be kept neat and clean. Dancers are expected place items in the dance room closet cubbies. Students must be sure that trash and water bottles are thrown away and all personal belongings are taken home at the end of each class. **NO GUM OR FOOD IS ALLOWED IN THE STUDIOS!**
- Students are to use the restroom before class, dress according to the LAD dress code, and silence all cell phones. IF late for class, please knock before entering studio.

DRESS CODE

AFTER OCTOBER 15th, STUDENTS WITHOUT PROPER CLOTHES OR SHOES WILL NOT PARTICIPATE IN CLASS. For specific class requirements see “Studio Dress Code”.

PARKING/ DROP-OFF AND PICK-UP

Paxton Place is a one-way street. **DO NOT STOP VEHICLE OR PARK IN THE CENTER OF THE ROAD.** For safety reasons, if you are dropping off/picking up, you must pull to the curb and park before letting your dancer out of the car.

Those who double-park **WILL BE ASKED TO MOVE YOUR CAR by studio staff or other dance families.**

Students should not arrive **MORE** than 5 min. prior to the start of class. Our instructors have many duties to tend to prior to beginning a class or may be teaching another class and cannot be responsible for any child who is dropped off more than 5 min. before class. All dancers need to be picked up at the end of their class time.

If you are a parent of a Preschool 1, 2 or 3 Combo class, and you intend to accompany your child into the studio for afternoon and evening classes, please park in the designated lot behind the building.

ATTENDANCE/MISSED CLASSES

Regular attendance is mandatory! A dancer’s progress is directly related to strong attendance. A dancer must participate 45min of an hour long class/30 min. of a 45 min. class to be considered present for that day’s class. Excessive absences from weekly classes may require a student to be moved to a lower level class. If a student misses a class, it cannot be made up. There are no refunds or pro-rating for classes missed due to personal vacations, illness, schedule conflicts, or terminations during the month. If students cannot participate due to injuries, we ask them to attend class via ZOOM so as to be able to observe, learn choreography and receive teachers’ verbal instructions. Students are to arrive for class on time. Also, in case of illness, quarantine, etc, students can take class via ZOOM.

- For our Combo Classes (Preschool): If 3 or fewer students attend class on a given day, the class will be held for 30 minutes.

SNOW DAYS

In case of inclement weather, please call the studio at 560-4000. **WE DO NOT GO BY ANY SCHOOL DISTRICT CLOSINGS.** To check on cancellations for morning classes, please call after 8:30am. To check on the status of late afternoon / evening classes, please call after 2:30pm. If no message is on our voicemail, you can assume that classes are still on. However, we urge you to use your own judgment before venturing out in questionable weather. Classes cancelled by the studio due to bad weather or teacher illness will be rescheduled.

ANNUAL RECITAL

We are planning to have our 2021 Spring Recital in June 2021. We hope to announce whether this recital will be virtual again (due to COVID-19), or back on stage (like we always did BEFORE COVID) by the end of 2020. We always have dates and details by the end of the prior summer, but due to our present pandemic, it is just impossible to make certain plans at this point. However, one way or the other, we DO plan to hold our 19th annual Spring Recital! If we are indeed virtual, some of the following info and guidelines may change, and we will give helpful info ASAP. But if indeed we are an in-person show, we plan to run it like we always have in the past (of course knowing this is a very fluid situation, and adaptations may need to be made.):

Recital participation is encouraged, but NOT MANDATORY. We recommend parents and dancers seriously consider the

Lititz Academy of Dance 2020-2021 Studio Policies

financial and time requirements necessary to engage in a professional dance recital, which will most likely be a two-day production. These include: excellent class attendance (remember: we will also have ZOOM this year!) including mandatory rehearsals, costume / shoe and ticket purchases, and a lengthy dress rehearsal at place of venue if indeed an in-person performance. Due to scheduling constraints, dress rehearsal could take place on a school night(s) or on a weekend. A Commitment Contract will be sent home with costume deposit information later in 2020. Before committing to performing in the recital, students and parents must agree to commit to dress rehearsal (still being able to leave when student's final dance is finished) and recital (stay ENTIRE SHOW unless a combo dancer, in which case leave at intermission), as well as other studio rehearsals. These dates are few, and are given months in advance. All must agree to follow backstage and performance rules. With the exception of our Combo dancers, who have the option of leaving at intermission, dancers must stay in dressing room area for the entire show. Other than Combo students, STUDENTS ARE NOT ALLOWED TO LEAVE DURING THE SHOW. All of these guidelines are for the safety and wellbeing of all.

EXCELLENT ATTENDANCE is crucial to performing in the recital. After January 1, 2021, any student absent from a given class for three weeks in a row may not be eligible to perform that class's dance in the Spring Recital. In addition, students may not miss more than 7 classes of a given class after January 1st in order to perform in the recital. This policy, as with all policies, is at the discretion of our staff. Parents will remain responsible for any remaining balances of those costumes, and no refunds will be given for tuition or costumes.

COSTUME PURCHASES AND DEPOSITS

Students participating in the recital will be committed to purchasing a costume for each class performance. Certain costumes required a specific shoe. These requirements will be announced by February 1st, 2021.

A deposit of \$50.00 per costume will be due by to October 15, 2020. There are no refunds on costume deposits after this date. Costume balances are due by February 1, 2021. A \$15.00 late fee will be applied if payment is received after this date.

The studio will be open during office and studio hours for payment drop-off (check website for hours). **No exceptions.** Studio teachers will hand out costumes as they come in. Once they are in your possession, you are responsible for them. Students are not allowed to wear costumes for any non-studio performance prior to the recital. Lititz Academy of Dance encourages its students to perform at school shows, however, use of current costumes for talent shows is forbidden due to the risk of damage and/or loss of a costume or accessory. Students are encouraged to use past costumes for those performances.

STUDIO COMMUNICATION

It is very important that parents know what is happening throughout the year. Studio newsletters, announcements, and reminders are sent out via Constant Contact. It is the family's responsibility to let us know if you are NOT receiving emails via this source. Please inform us if your email address has changed during the year.

Forms can be found on our website at www.LititzAcademyofDance.com. There will also be copies available in the studio. Each family has a folder which contains pertinent information. We will send an email when information is in your file. If your child is absent 2 or more weeks in a row, please call us so that we do not worry about you! You may also receive a call from our office to check on your dancer.

CREATIVE RIGHTS

All choreography used for performances are the intellectual property and creative work of LAD. Use of choreography without verbal or written permission by the instructor is prohibited. This includes performance, videotaping and distribution online posting (YouTube and Facebook, etc.) and photography used for advertisement.

Students who show up to class without proper attire will be given a warning, the second time they will be asked to observe. Please note that hair is a crucial part of our dress code. (See "Hair" section of Dress Code.)

SHOE SUGGESTIONS

ALL BALLET/TAP COMBINATION CLASSES - will need both ballet and tap shoes.

Ballet

Pink split-sole ballet shoes. There are many styles with in Capezio, Bloch, Sansha and other brands. Both Canvas and Leather are acceptable. For our combo dancers, full sole are fine. Capezio Daisy Beginner Ballet shoes are wonderful options.

Jazz

Tan Jazz Slip-On shoes - no laces, please! Capezio and Bloch are two recommended brands.

Tap

We recommend FULL sole tap shoes for our non-combo classes. Lace-up or Slip-On Oxfords (no buckle or bow) are available in a number of brands, notable Capezio, Bloch, etc. For the most serious of tappers, three tap shoes your loving teachers recommend include: Jason Samuel Smiths, Capezio K360's and Miller and Ben's. These are pricier options, but fabulous shoes. For heels, any of the Capezio Footlights or Bloch Tap-Ons. **For our combo dancers**, the Capezio Junior Tyette is wonderful. Payless buckle or elastic tie tap shoes for this age are also great.

Pointe

Pointe students must be professionally fitted for pointe shoes. Two stores we recommend are Pas De Chat in New Holland and Definitely Dance in Exton. Both are good with fitting and have many brands and styles. Be prepared to spend about an hour being fitted for the correct shoe. Call ahead for an appointment at whichever store you choose.

Lyrical / Modern

Dance Paws, Foot Thongs, Foot Undeez

Hip Hop

Black low top "Converse" style sneakers
